Childcare Resources of Indian River Receives Grant Award from Bank of America

Vero Beach, FL (June 23, 2011) — Childcare Resources of Indian River is pleased to announce it has been awarded a grant from the Bank of America Charitable Foundation to help provide affordable, quality childcare for working families in Indian River County.

The Bank of America Charitable Foundation is dedicated to providing opportunity for all in its commitment to local communities. Childcare Resources of Indian River's mission is to ensure the availability and affordability of high quality early childhood and support programs for income eligible working families in Indian River County. Funding from the Bank of America Charitable Foundation will enable Childcare Resources to continue providing childcare tuition assistance for full-time student and working parents whose annual income falls just over the eligibility guidelines for state or federal assistance, but would have a hard time finding approximately \$7,000 a year to pay for quality childcare.
