Childcare Resources of Indian River Receives Grant Award from Grand Harbor Community Outreach

Vero Beach, FL (January 5, 2011) — Childcare Resources of Indian River is pleased to announce the organization has been awarded a grant from Grand Harbor Community Outreach to support affordable, quality childcare for income eligible working families.

Childcare Resources provides low-moderate income working families with access to affordable, high quality childcare and early education to prepare their children for success in school. Studies show that children who receive quality early learning experiences perform better in school, are more likely to graduate and find employment, and are less likely to need remedial education and commit crimes.

Childcare Resources tuition assistance enables parents to focus on their jobs or attend school full time while their children learn in quality early childhood programs. Support from Grand Harbor Community Outreach will help ensure young children are cared for by well-trained, caring teachers in a safe, stimulating environment.

About Childcare Resources

Childcare Resources makes quality childcare affordable for income eligible working families living in Indian River County. The organization assists working parents with childcare tuition to enroll their children at local accredited childcare centers and in its newly opened Education Center. Childcare Resources also provides a wide variety of parent education and family support programs as well as professional development opportunities for early educators.

The Childcare Resources Education Center is the culmination of a long recognized need in Indian River County for more quality, affordable infant and toddler care for working families. It is located on the campus of Trinity Episcopal Church in Vero Beach and is open Monday – Friday, 6:30 a.m. – 5:30 p.m. The organization is also the proud recipient of a 2010 Indian River Impact 100 award in support of the Education Center Infant Suite.
