

Let's Score Higher...Together!

Early Childhood Educator Summer Community of Practice

With Coach Todd Morrow

Childcare Resources is hosting a Summer Community of Practice to provide educators an opportunity to be part of a group of educators who desire to increase their CLASS Observation scores. You will have opportunities to receive and provide feedback surrounding effective instructional practices affecting observation scores. We will celebrate one another in a supportive, nonjudgmental setting. In this Community of Practice, you will learn lesson planning strategies, effective instructional techniques, and most importantly how to achieve increased observation results. Do not miss out on this exciting opportunity!
