Independent Auditors' Report

The Board of Directors
Childcare Resources of Indian River, Inc.:

Opinion

We have audited the financial statements of Childcare Resources of Indian River, Inc., which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Childcare Resources of Indian River, Inc. as of June 30, 2025, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Childcare Resources of Indian River, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Childcare Resources of Indian River, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

(Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Childcare Resources of Indian River, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Childcare Resources of Indian River, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Childcare Resources of Indian River, Inc.'s June 30, 2024 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 17, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024 is consistent, in all material respects, with the audited financial statements from which it has been derived.

CHILDCARE RESOURCES OF INDIAN RIVER, INC.

Notes to Financial Statements

June 30, 2025

(1) Organization

Childcare Resources of Indian River, Inc. is a not-for-profit organization formed in July 1994. The Organization receives grants and contributions from governmental entities, charitable foundations, organizations, and individuals in Indian River County, Florida. The Organization assists working families with pre-school aged children by contracting with local child care centers to provide quality child care in addition to its Education Center, which provides quality child care services and opened in 2010. The Organization also provides other family support services.

(2) Summary of Significant Accounting Policies**(a) Basis of Presentation**

The Organization presents its financial statements in accordance with ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. Topic 958 addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return.

To ensure observance of limitations and restrictions placed on the use of resources available to the Organization, the accounts of the Organization are maintained in accordance with the principles of fund accounting. This is the procedure by which resources are classified for accounting and reporting into funds established according to their nature and purpose and in accordance with activities or objectives specified by donors. Fund balances and transactions have been classified into two classes of net assets – without donor restrictions or with donor restrictions as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and Board of Directors.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

(b) Basis of Accounting

Basis of accounting is used to describe when revenues and expenses are recognized in the accounts and reported in the financial statements.

(Continued)

CHILDCARE RESOURCES OF INDIAN RIVER, INC.

Notes to Financial Statements

The Organization prepares its financial statements on the accrual basis in accordance with accounting principles generally accepted in the United States of America. Assets and related revenue are recorded when earned and related liabilities and expenses are recognized as incurred.

(c) Revenue Recognition

Contributions and promises to give - All contributions/donations are considered available for unrestricted use unless specifically restricted by the donor. Contributions/donations are considered restricted if a donor imposes a restriction that may be satisfied by the passage of time or the actions of the Organization. A permanently restricted contribution/donation stipulates that the contribution/donation be maintained permanently but may allow the organization to use all or part of the income derived from the underlying asset for unrestricted purposes. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with restrictions are reclassified to net assets without restrictions and reported in the statement of activities as net assets released from restrictions.

Revenue from contracts with customers - The Organization accounts for program fees (student tuition charges) as exchange transactions in the statements of activities and changes in net assets. Revenue from contracts with customers are treated as revenues without donor restrictions. Funds received in advance from customers for services that have not been performed have been recorded as contract liabilities and recorded as prepaid tuition fees and deposits in the statements of financial position.

Other revenues are obtained from rental income, investment and other income. These revenues are used to offset program, management and general, and fundraising expenses. Revenue from these sources are recognized when earned. Certain investment income has been classified as with donor restrictions based on donor stipulations.

The Organization presents revenues in the accompanying financial statements in accordance with Financial Accounting Standards Board (FASB) Topic 606, *Revenue from Contracts with Customers* ("ASC 606"), which establishes a core principle that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The majority of the Organization's revenue is recognized at a point in time based on the transfer of control. Revenue recognized over time primarily consists of performance obligations that are satisfied within one year or less. In addition, the majority of the Organization's contracts do not contain variable consideration and contract modifications are generally minimal.

The Organization also presents revenues in accordance with the provisions of ASU Statement No. 2018-08, *Not-for-Profit Entities – Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958)*, which clarifies whether a transfer of assets is a non-exchange contribution or an exchange transaction.

(Continued)

CHILDCARE RESOURCES OF INDIAN RIVER, INC.

Notes to Financial Statements

The timing of revenue recognition, billings and cash collections results in contract liabilities which are shown as prepaid tuition fees and deposits on the statement of financial position. Contract liabilities as of June 30, 2025 and 2024 were \$27,908 and \$23,317, respectively, and are reflected as prepaid tuition fees and deposits and deferred revenue in the statement of financial position.

(d) Cash, Cash Equivalents, and Restricted Cash

For purposes of the statement of cash flows, cash, cash equivalents, and restricted cash include cash on hand, time deposits, certificates of deposit and all highly liquid debt instruments with original maturities of three months or less. Temporary cash held in the Organization's endowment investment fund are classified as investments and not considered to be cash for purposes of the statement of cash flows.

The Organization presents restricted cash in accordance with FASB Statement ASU 2016-18, Statement of Cash Flows, which requires restricted cash to be included with cash and cash equivalents. Restricted cash consists of cash held for capital projects of \$2,945,633 and \$246,291 as of June 30, 2025 and 2024.

(e) Investments

Investments are reported at fair market value. Contributed investments are recorded at fair value on the date of the donation. Investment interest, dividends, gains and losses on sales of securities and unrealized gains are reflected in the statement of activities as unrestricted revenue except for the interest and dividends that are restricted by donor for use toward a particular purpose. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 2(f) for a discussion of fair value measurements.

(f) Fair Value Measurements

Financial Accounting Standards Board Topic 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

(Continued)

CHILDCARE RESOURCES OF INDIAN RIVER, INC.

Notes to Financial Statements

The three levels of fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access at the measurement date.
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The following methods and assumptions were used to estimate the fair value of each class of financial instruments:

- Cash and cash equivalents – the carrying amounts, at face value or cost plus accrued interest, approximate fair value because of the short maturity and/or the market rates earned on these instruments. At June 30, 2025 and 2024, the Organization's cash and cash equivalents were held in demand and money market accounts that were Level 1 fair value assets.
- Endowment investments – endowment investments, consisting of pooled funds with the Indian River Community Foundation, are valued using fair value information on the pooled funds' underlying investments, which are Level 3 investments.

(g) Promises to Give

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at present value of their estimated future cash flows. The discount on these amounts is computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included in support until the conditions are substantially met.

The Organization uses the direct charge off method to account for uncollectible promises to give. The method does not result in a material difference from the allowance method.

(h) Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for uncollectible amounts through the direct charge-off method based on its assessment of the current status of individual accounts. The direct charge-off method does not result in a material difference from the allowance method.

Notes to Financial Statements

(i) *Property and Equipment*

The Organization capitalizes expenditures for equipment and property improvements at cost. The fair value of donated fixed assets is similarly capitalized. Depreciation is provided over the estimated useful lives of the assets, which range from 3 to 39 years, using the straight line method.

(j) *Leases*

The Organization's leases are presented in accordance with FASB ASC Topic 842, Leases, which recognizes right-of-use assets and lease liabilities on the balance sheet for all leases.

(k) *Income Taxes*

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is not a private foundation.

The Organization's income tax filings are subject to audit by various taxing authorities. The Organization's open audit periods are 2022 to 2025.

(l) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(m) *Functional Allocation of Expenses*

The Organization allocates its expenses on a functional basis among its various programs and support services. Expenses that can be identified with a specific program and support service are allocated directly according to their natural expenditure classification.

(n) *Contributed Materials, Services and Facilities*

Contributed materials and services are reflected in the financial statements at the fair value of the property contributed or services received. The Organization has adopted a policy of not implying a time restriction on gifts of long-lived assets and, therefore, records donated assets as increases in unrestricted net assets. The contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

Notes to Financial Statements

(o) *Prior Period Information*

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2024, from which the summarized information was derived.

(3) *Risks and Uncertainties*

Financial instruments that potentially subject the Organization to concentrations of credit risk consist of cash deposits in excess of insured limits. Cash balances maintained in financial institutions may at times be in excess of the FDIC limit. The Organization has not experienced any losses on such amounts and does not believe it is exposed to any significant risk with respect to such balances.

(4) *Liquidity and Availability of Resources*

The following represents the Organization's financial assets available as resources as of June 30, 2025 and 2024.

	<u>2025</u>	<u>2024</u>
Financial assets:		
Cash and cash equivalents	\$ 2,094,705	1,311,757
Grants receivable	125,000	140,000
Accounts receivable	249,405	256,048
Endowment spending-rate distributions	<u>—</u>	<u>—</u>
Total financial assets	<u>2,469,110</u>	<u>1,707,805</u>
Less amounts unavailable for general expenditures:		
Construction payables	620,210	—
Designated net assets without restrictions	<u>250,955</u>	<u>50,913</u>
Total amounts unavailable	<u>871,165</u>	<u>50,913</u>
Financial assets available to meet general expenditures during the next twelve months	\$ <u>1,597,945</u>	<u>1,656,892</u>

Financial assets are available for general expenditures within one year of the balance sheet date, other than noted above. Grants receivable subject to time restrictions are considered available as they will be collected within one year.

The Organization's endowment fund policy provides for annual distributions from endowment funds to fund general operations equal to 4% of the fund's average market value over the preceding 12 quarters, as discussed in note 5. While such distributions are available, the Organization is currently withholding distributions for the purpose of growing the endowment fund.

CHILDCARE RESOURCES OF INDIAN RIVER, INC.

Notes to Financial Statements

Additionally, the Organization maintains a line of credit with an available balance of \$100,000 as of June 30, 2025, as discussed in note 8, which is available to meet cash flow needs.

(5) *Endowment Investments*

The Organization has engaged the Indian River Community Foundation (the Community Foundation) to accept charitable contributions on their behalf and invest those funds for a nominal administration fee. The Community Foundation maintains the investments as agent for the Organization and, accordingly, the endowment investments have been presented in the accompanying financial statements.

The Organization has adopted Florida's Uniform Prudent Management of Institutional Funds Act (UPMIFA). Accordingly, the Organization classifies amounts in its donor-restricted endowment as net assets with donor restrictions because those net assets are time restricted until the Board of Directors appropriates such amounts for expenditure. The net assets are also subjected to purpose restrictions that must be met before reclassifying those net assets to net assets without donor restrictions.

The Organization has interpreted UPMIFA as not requiring the maintenance of purchasing power of the original gift amount contributed to the endowment fund, unless a donor stipulates the contrary. As a result of this interpretation, when reviewing its donor-restricted endowment funds, the Organization considers a fund to be underwater if the fair value of the fund is less than the sum of (a) the original value of the initial and subsequent gift amounts donated to the fund and (b) any accumulations to the fund that are required to be maintained in perpetuity in accordance with the direction of the applicable donor gift instrument. The Organization has interpreted UPMIFA to permit spending from underwater funds in accordance with prudent measures required under the law. Accordingly, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The terms of the endowment agreement, which document contributor wishes
- The purposes of the Organization and the donor-restricted endowment fund
- General economic conditions
- The possible effects of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization
- Current investment policies

The endowment investment objective of the Organization is to provide for the Organization's long-term principal value of the investments and to support Organization programming as budgeted and directed by the Board of Directors on an annual basis. The investment goals for the funds of the endowment are: meet the payout requirements of the endowment, provide sufficient liquidity to meet distribution requirements, and earn a reasonable return on investment. Investment goals and performance are to be computed net of investment management fees.

CHILDCARE RESOURCES OF INDIAN RIVER, INC.

Notes to Financial Statements

The Organization's policy is to withhold distributions from the endowment investments until such time as the fund has been in existence for 12 consecutive quarters or has reached an average market value of \$250,000 for two consecutive quarters, whichever is first. The Organization has established an amount available for distribution equal to 4% of the fund's average market value over the preceding 12 quarters.

The following tables presents the Organization's investments that are measured at fair value on a recurring basis at June 30, 2025 and 2024.

Conditional Pledges

As of June 30, 2025, the Organization has received conditional bequests and pledges for the endowment fund totaling \$340,000.

(6) Assets Held for Capital Projects

Assets held for capital projects consisted of the following as of June 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Cash	\$ 2,945,633	246,291
Pledges receivable, net	<u>653,718</u>	<u>1,622,949</u>
Total assets held for capital projects	\$ <u>3,599,351</u>	<u>1,869,240</u>

The Organization launched a capital campaign in 2023 for the purpose of raising funds to acquire and develop a building (see note 7). As of June 30, 2025, unconditional campaign pledges totaling \$6,657,993 had been received, of which \$702,665 are outstanding as pledges receivable.

Unconditional promises to give associated with the Organization's capital campaign as of June 30, 2025 and 2024 consisted of the following:

	<u>2025</u>	<u>2024</u>
Gross amounts due in:		
Less than one year	\$ 372,235	1,003,945
Two to five years	<u>330,430</u>	<u>728,330</u>
Total gross amounts due	702,665	1,732,275

Net promises to give – capital campaign	\$ <u>653,718</u>	<u>1,622,949</u>

Pledges receivable due within one year are recognized at net realizable value. Pledges receivable due longer than one year are discounted to the present value of estimated future cash flows using a risk-free rate of return (4.33%). The Organization anticipates collection on all accounts and pledges receivable; therefore, no allowance for doubtful accounts has been established.

Less accumulated depreciation	<u>1,025,346</u>	<u>920,314</u>
	<u>\$ 8,848,335</u>	<u>7,445,754</u>

During March 2024, the Organization purchased building property for \$6,214,876, inclusive of acquisition costs and improvement credits, for the purpose of moving their children's education center and administrative offices. During 2024, the Organization began a redevelopment project for the building, which consisted of pre-construction design and permitting phase. During 2025, the Organization entered into a contract to fully renovate the buildings. The estimated cost is approximately \$7.1 million. The remaining outstanding construction commitment approximated \$5.6 million as of June 30, 2025. Construction is expected to be completed in March 2026.

As of June 30, 2025, the Organization had incurred \$2,419,683 in costs for the project and capitalized \$320,906 in interest costs.

During 2025, the Organization recorded an \$826,986 impairment loss for leasehold improvements and related furniture and equipment assets expected to be abandoned upon moving their children's education center and administrative offices in the upcoming year.

Depreciation expense for the years ended June 30, 2025 and 2024 amounted to \$110,858 and \$111,046, respectively.

(8) Notes Payable

Note Payable to Bank under Line of Credit

The Organization maintains a note payable to bank under a line of credit arrangement providing for total available borrowings of up to \$100,000 and interest at the prime rate (7.5% and 8.5% as of June 30, 2025 and 2024, respectively) plus 1.98% and maturing on October 1, 2025. As of June 30, 2025 and 2024, the balance outstanding was \$-0-.

Less current installments	4,324,294	—
Long-term debt, net, less current installments	\$ <u>1,492,205</u>	<u>4,365,865</u>

During March 2024, the Organization entered into a \$4,375,000 mortgage note agreement with a bank for the purpose of acquiring a building (see note 7). During March 2025, the Organization entered into a \$1,500,000 note agreement with Indian River Community Foundation for the purpose of renovating the building purchase for their new campus.

Interest expense for the years ended June 30, 2025 and 2024 totaled \$320,906 and \$80,546, respectively, which was capitalized into the building redevelopment project.

(9) Leases

The Organization currently leases property for its child care facility and administrative offices over a 5 year period ending November 2, 2025, with one available five-year option to extend. The lease provides for rentals of \$30,000 per year plus common area maintenance charges. The lease agreement also required a security deposit of \$7,500.

Effective September 1, 2019, the Organization entered into a lease to expand its early childhood education facility, that provided for base annual lease payments totaling \$5,000 for each of the two years ending August 31, 2021, \$5,150 for each of the five years ending August 31, 2026, and \$8,575 for each of the five years ending August 31, 2031, plus common area maintenance costs. The lease provides for option periods and termination dates consistent with the primary facility lease discussed above.

CHILDCARE RESOURCES OF INDIAN RIVER, INC.

Notes to Financial Statements

The Organization received a contribution of support whereby the above lease terms are considered less than the relative fair market value of the leases. Accordingly, the Organization reflected contribution revenue and rent expense of \$128,000 for the years ended June 30, 2025 and 2024 in the accompanying statement of activities.

The Organization leases various facilities for its operations, as described above, and certain equipment under operating lease agreements. Future minimum lease payments under non-cancelable operating leases, including options to extend where reasonably certain to be extended, as of June 30, 2025 and 2024 are as follows:

	<u>2025</u>	<u>2024</u>

(12) Retirement Plan

The Organization maintains a Simplified Employee Pension Plan for its eligible employees. The plan is noncontributory and the Organization may make discretionary contributions to the plan for its employees. During the years ended June 30, 2025 and 2024, the Organization contributed \$18,983 and \$11,923, respectively, to the plan. In addition, the Organization maintains a 403(b) Tax Deferred Annuity plan for eligible employees wherein employees may make deferral contributions to the plan. The Organization makes no contributions to this plan.

(13) Subsequent Events

In preparing these financial statements, management has evaluated subsequent events and transactions for potential disclosure through September 16, 2025, the date the financial statements were available to be issued.

The Organization has obtained a loan commitment of \$8,337,255 for the purpose of repaying the mortgage note payable (see note 8) and for providing additional construction project funding for its children's education center and administrative buildings (see note 7). The loan is currently pending, which is anticipated to close in October 2025.
