Childcare Resources Mission:

To elevate and promote the highest quality early childhood development and education in Indian River County, focusing on economically challenged children and families.

Childcare Resources Vision:

All children and their families benefit from a high quality learning experience.

Early Education

Childcare Resources provides high-quality care at the Childcare Resources School and partnering centers. **All centers are accredited by the National Association for the Education of Young Children.**

Wellness & Early Intervention

The Wellness & Early Intervention Program (WEIP) provides wellness and support services to program students and families. WEIP coordinates **hearing and vision screenings, therapeutic services, individual care plans, assessments, and parent educational activities.**

WEIP also **connects program families with community resources** on an as-needed basis.

Educator Outreach

190 educators (unduplicated) attended professional development workshops focusing on intentional teaching and self-regulation.

The **coaching program** responded to the needs of the community with a focus on quality, reaching **27 educators.**

The **CREATE program** provided opportunities for educators to achieve academic goals, serving **50 educators** with a **90% course completion rate.**

Three director meetings provided **24 local directors** with networking and educational opportunities.
