

Dear early childhood champion,

I wanted to personally share the incredible impact you helped make possible this past year. Because of your support, more children received the high-quality care, education, and early interventions they need to thrive. **By the end of the 2024-2025 school year, 89% of our rising kindergarteners were meeting or surpassing early literacy milestones!**

Your generosity also reached beyond the classroom by providing essential wellness services to families and equipping early childhood educators across our community with coaching and resources.

As you read through this report, I hope you feel proud of what we've accomplished together. **Every milestone begins with partners like you.**

Thank you for being such an important part of this work!

Warm regards,

Shannon McGuire Bowman, Executive Director

4,045
children impacted by all Childcare Resources programs

Did you know?
In its first year of service, Childcare Resources programs impacted **twenty local children**.
In its most recent year of service, Childcare Resources programs impacted **4,045 local children - an increase of 20,125%!**

2,808
therapy hours completed on the Childcare Resources campus

"It was an easy and clear decision, even before my son was born, that this was where his educational journey should start. I know he wouldn't have received this level of care anywhere else. Childcare Resources was crucial to his success."

Did you know?
Children who receive early intervention services are more likely to achieve positive outcomes in cognitive, language, and motor development.
Early intervention can also improve school readiness and academic performance.

1,376

technical assistance touchpoints provided to local early educators

Did you know?

Nearly **250 local early childhood educators** participated in Childcare Resources outreach programs in the 2024-2025 academic year!

915

hours generously donated by volunteers

Did you know?

Volunteers at the Childcare Resources school donate their time to students of all ages. From rocking babies in the infant room to providing one-on-one instructional support to preschoolers, volunteers make a huge impact!

"Earning my early childhood degree gave me pride and renewed my passion for teaching."

The support from Childcare Resources meant everything. They believed in me, guided me, and celebrated each step."
