

# The Story of Your Support

YOUR 2021-2022 CHILDCARE RESOURCES GRATITUDE REPORT

# MESSAGE FROM THE EXECUTIVE DIRECTOR

2013

To our generous supporters, thank you for investing in Childcare Resources over the past 28 years, to which I'm honored to say ten of those I have shared with you as Executive Director. Because of your generosity, we can ensure the availability and affordability of high-quality early education and care, provide whole family support, and provide continued learning opportunities for early childhood educators in Indian River County. There is so much to be grateful for and your support is at the top of the list!

When I first started at Childcare Resources a decade ago, I knew we had something special here, something that every child and family would benefit from. We have been able to grow the organization from impacting around 100 children, to expanding our space and implementing robust programming that reaches nearly 3,000 children each year. That is a big deal for our community, and could not happen without you!

I feel pride and excitement as I look back at the last decade, but even more, as I look ahead to what can be accomplished in the next decade. Our Board of Directors and other key advisors have been planning for the future and set the bar high for Childcare Resources as we pursue our goal of increasing the quality of early childhood education throughout Indian River County, and beyond.

Thank you for making this critical work possible by investing in Childcare Resources, and ultimately investing in the future of our community. Together, we can change a generation of children, one year at a time!

Warm regards,

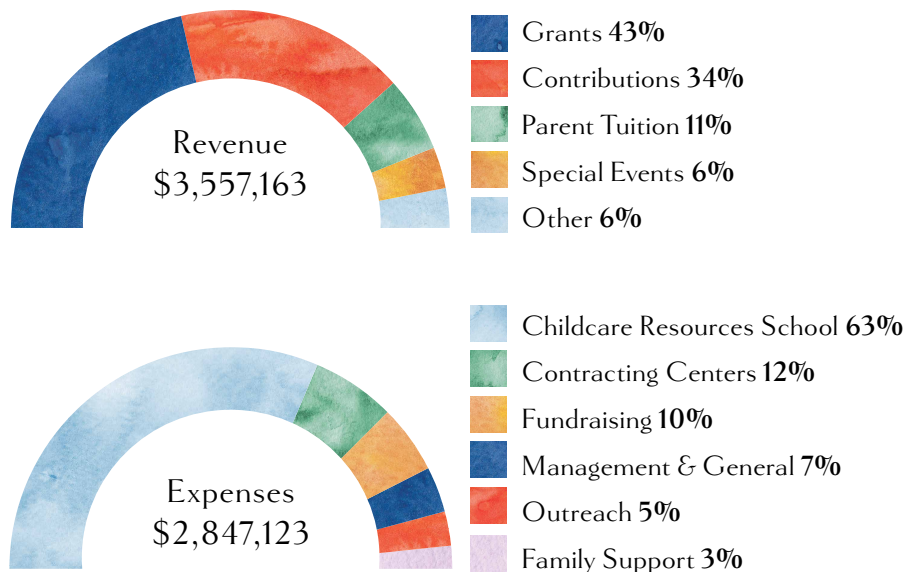

A handwritten signature in blue ink that reads "Shannon M. Bowman".

Shannon McGuire Bowman, MEd, MA, CFRE  
Executive Director

*"Without you,  
I WOULD NOT HAVE BEEN  
ABLE TO AFFORD SUCH  
GREAT CARE FOR MY BOYS!"*

— PROGRAM PARENT

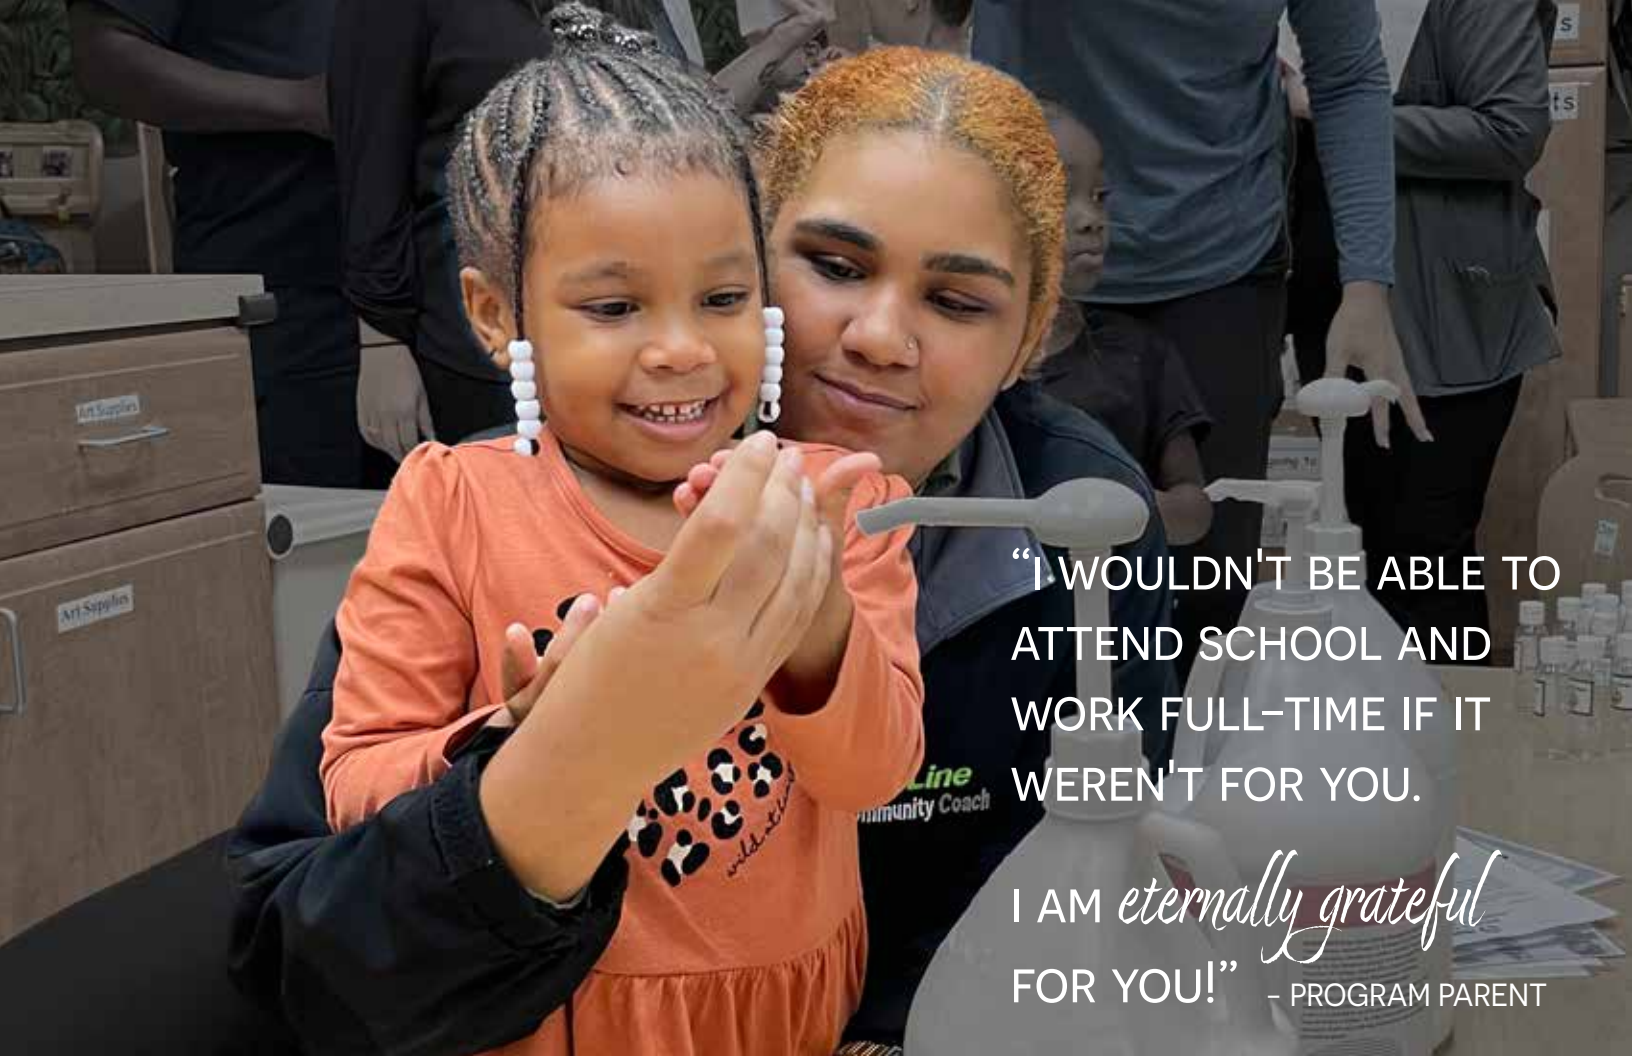

# YOU WRITE A STORY OF *educating children*

Through your support, Childcare Resources provides a spectrum of early childhood education services that benefit the entire community. It starts with providing high-quality, nationally-accredited care to children from across Indian River County. But it doesn't end there...

When a student is in need of additional services or resources, the Wellness and Early Intervention Program (WEIP) jumps in to coordinate assessments and therapeutic services. Students can receive occupational, speech, and other therapies during the school day.

**777 HOURS OF THERAPY CONDUCTED AT CHILDCARE RESOURCES THIS YEAR**

“I WOULDN'T BE ABLE TO  
ATTEND SCHOOL AND  
WORK FULL-TIME IF IT  
WEREN'T FOR YOU.

I AM *eternally grateful*  
FOR YOU!” - PROGRAM PARENT

# YOU WRITE A STORY OF *supporting families*

WEIP also assists program families, connecting parents and caregivers with local resources to ensure that basic needs are met. Through this support, program families in need have been able to secure housing, furniture, food, and more.

In addition, parents and families stay involved with their child's education through volunteer service and participation. As a result of your help, Childcare Resources provides training and engagement opportunities for program families.

**CHILDCARE RESOURCES PROVIDED CHILDCARE FOR EMPLOYEES OF 115 LOCAL BUSINESSES**

A close-up photograph of two young children, a boy and a girl, smiling warmly at the camera. The boy, on the left, has dark skin and braided hair, wearing a light blue button-down shirt with a subtle pattern. The girl, on the right, has lighter skin and curly hair, wearing a pink t-shirt. They are both looking directly at the viewer with bright, happy expressions. The background is dark and out of focus.

“I AM SO HAPPY TO BE  
GIVEN THE OPPORTUNITY  
TO REACH MY GOAL OF  
BECOMING A TEACHER  
AND HELPING CHILDREN  
LEARN AND GROW.

*Thank you*

FOR ALL OF YOUR HELP!”

- CREATE PROGRAM GRADUATE

# YOU WRITE A STORY OF *strengthening a community*

Through your generosity, Childcare Resources provides training to local educators, too. One-on-one coaching, intense training, and opportunities in higher education work together to help local early childhood educators accomplish their own goals and become more effective in the classroom.

Your support enables effective teachers, supported families, and individualized care to provide the life-changing impacts of quality early education. Together, we are changing our community one child at a time.

**2,916 CHILDREN IMPACTED BY CHILDCARE RESOURCES PROGRAMS THIS YEAR**

# Supporting Educators

Through your support, Childcare Resources provides educational opportunities to local early childhood professionals:

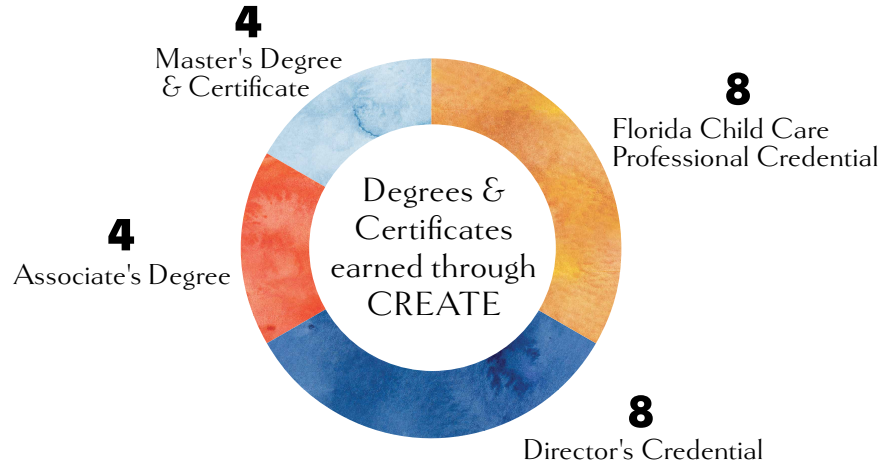

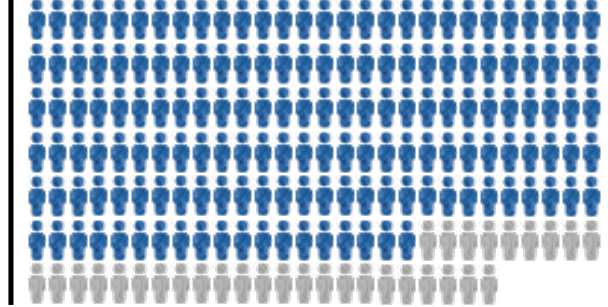

**Professional development workshops** enable educators to learn from nationally-recognized experts in the field of early education at no cost.

**CREATE** allows educators the opportunity to earn their credential or degree and reach their next milestone in higher education.

**Coaching** brings it all together, providing one-on-one personalized assistance in the classroom.

**159**  
educators demonstrated  
an increase in knowledge  
after attending at  
least one professional  
development workshop  
- **83%** of workshop  
attendees

# Student Success

Twice each year, all students are assessed to evaluate whether they are meeting developmental milestones.

In their last year of preschool, students are also assessed in the academic skills needed to be successful in kindergarten. The assessment monitors progress across many domains including:

## Print Knowledge

evaluates a child's ability to identify letters and recognize differences between words.

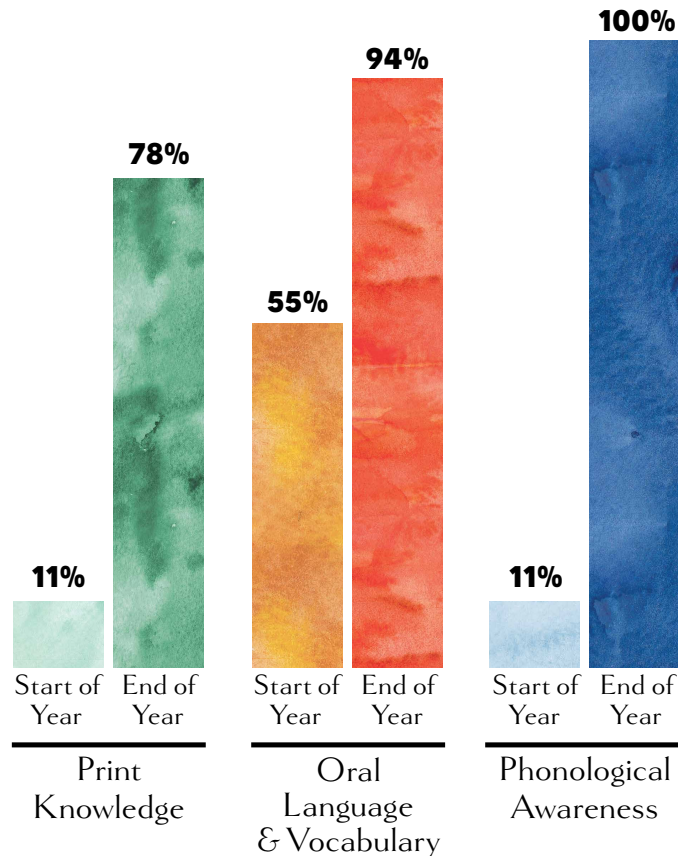

## Oral Language & Vocabulary

tracks a child's ability to express themselves in words and to understand spoken language.

## Phonological Awareness

assesses a child's awareness of sounds and ability to combine or split compound words.

# Thank you!
